INTRODUCTION: Good evening. May I please speak with NAME FROM FILE? My name is ____________ and I'm calling from WPA Research, a national public opinion firm. This evening we're conducting a short scientific survey and we'd like to get your opinions. We're not selling anything and your responses will be completely confidential.

Screener

1. First, are you or any member of your immediate family a member of the news media, a Public Relations company, or an active participant with any political campaign?

   1. Yes ............................................................................................................................................... TERMINATE
   2. No/All other ................................................................................................................................... 100%

2. In politics, do you usually think of yourself as a ROTATE Republican, Independent, or Democrat?

   IF REPUBLICAN/DEMOCRAT, ASK:
   Do you think of yourself as a STRONG (Republican/Democrat) or NOT-SO-STRONG (Republican/Democrat)?

   IF INDEPENDENT, ASK:
   And would you say that, in general, you lean toward the Republican Party, the Democratic Party, or neither party?

   1. Strong Republican......................................................................................................................... 56%
   2. Not-so-Strong Republican................................................................................................................ 18%
   3. Independent Leaning Republican..................................................................................................... 26%
   4. Hard Independent ............................................................................................................................. TERMINATE
   5. Independent Leaning Democrat .......................................................................................................... TERMINATE
   6. Not-so-Strong Democrat .................................................................................................................... TERMINATE
   7. Strong Democrat .............................................................................................................................. TERMINATE
Now, thinking about the Presidential election coming up in 2016...

3. If the Republican primary election for United States President were held today, for whom would you vote if the candidates were... RANDOMIZE
