Current Nevada Polling

November 6, 2016

Executive Summary

Gravis Marketing, a nonpartisan research firm, conducted a random survey of 1,158 likely voters across Nevada. The poll was conducted from November 3rd through the 6th and has a margin of error of ±2.9% at the 95% confidence level. The total may not round to 100% because of rounding. The polls were conducted using automated voice response polling and an online panel of cell phone users. The results are weighted by anticipated voting demographics.
