# **Clinton Leads Trump in Michigan by 10%** *(Clinton 49% - Trump 39%)*

EAST LANSING, Michigan --- The latest Fox 2 Detroit/Mitchell Poll of Michigan shows former Secretary of State Hillary Clinton (49%) leading businessman Donald Trump (39%) by a 10 percent margin in a two-way race, and by the same ten percent margin in a four-way race that includes Libertarian Party candidate former New Mexico Gov. Gary Johnson and Green Party candidate Dr. Jill Stein. In the four-way race it is Clinton 44%, Trump 33%, Johnson 9%, and Stein 5%

The IVR (automated) poll N=1,314 likely voters in the November 2016 General Election was conducted by Mitchell Research & Communications on August 9-10, 2016 and has a Margin of Error of + or - 2.7% at the 95% level of confidence.

"Trump's support is fueled by angry voters. We asked voters if they agreed or disagreed with the statement 'I'm mad as hell and I won't take it anymore.'" Of the 54% who said they agreed, Trump leads by a 2:1 margin (58%-28%). However, among the 26% who disagreed, Clinton leads by a huge margin (87%-9%). Among the 20% who were not sure if they agreed or not, Clinton led by a more than 2:1 margin (58%-25%)," Steve Mitchell, CEO of Mitchell Research & Communications said.

At this time, third party candidates don't seem to benefit either Clinton or Trump. When you add in the Libertarian and Green Party candidates, Clinton's leads by the same margin, although both she and Trump lose voters to Johnson and Stein.

In the two-way contest, Clinton has expanded her lead with key demographics.

"Clinton's lead has widened and the percentage of undecided voters has dropped since our July survey that showed Clinton leading Trump 40%-34%. She has a very strong eighteen percent lead with women (54%-35%) and leads with men as well (45%-41%). Clinton is also doing better with Democrats (88% support) than Trump is doing with Republicans (77%). Trump had been winning with independents but now trails with those voters in a two-way race by seven percent (42%-35%). Since the end of the two conventions, Clinton has solidified her lead in Michigan," Mitchell concluded.

Crosstabs follow:

FOX 2 Detroit/Mitchell Poll of Likely Voters
